Hawaii  
CCIM Chapter

# Hawaii's Largest CRE Network

CCIM Institute created the language of global real estate. 50 years after it was founded, the organization still provides its 13,000 members across 50 chapters with the official tools and processes of the international CRE industry.

For independent CRE professionals, the CCIM curriculum offers a crash course in investment real estate from every perspectives -- tenant, developer, owner, investor -- which can be immediately applied to their book of business.

# An Elite Community

CCIM Hawaii is the state's largest: commercial real estate network representing every disciplines within the commercial real estate investment community. Only six percent of all commercial real estate practitioners hold the coveted CCIM designation so joining CCIM Hawaii means being part of Hawaii's most elite cohort of practitioners. Today, 90% of CCIM Designees and Candidates in Hawaii belong to the local Chapter. As a member you'll get exclusive access to special networking

receptions and gala events like our Annual Golf Outing. Thousands of transactions are closed annually due to CCIM's global network, representing more than \$200 billion in value. In addition, for industry newcomers and veterans, CCIM Hawaii offers the industry's most comprehensive education in CRE investment, delivering 9 education events, 2 named endowment scholarships and 4 101 scholarships last year.

## CCIMs Are

- brokers
- property managers
- leasing professionals
- developers
- investment counselors
- institutional investors
- asset managers
- commercial lenders
- CRE executives
- appraisers
- attorneys
- bankers
- other allied professionals

# Annual Economic Outlook

Join CCIM Institute's Chief Economist, KC Conway for a wide-ranging analysis of the historic forces affecting CRE in 2019. As our state's economy reaches a crossroads, we invite you to

a special marquee chapter session featuring one of the nation's leading authorities on the capital markets, regulations, development trends and emerging technology across all product types.
